Write the name of the season below each picture.

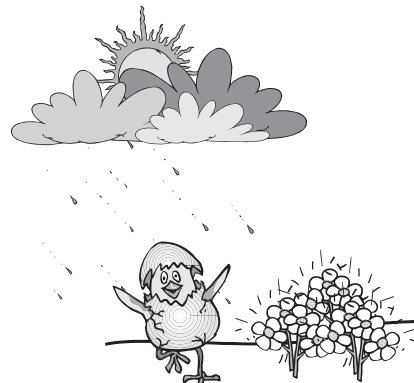

1.

2.

3.

4.

Year 1 Science Workout: The Seasons

3. Are these sentences true or false?

Tick (✓) the correct box.

	True	False
The weather is warm in the summer.	<input type="checkbox"/>	<input type="checkbox"/>
It only rains in the autumn.	<input type="checkbox"/>	<input type="checkbox"/>
It often snows in the summer.	<input type="checkbox"/>	<input type="checkbox"/>

4. Peter does the same walk four times in a year.

He writes down what he sees.

Match what he **sees** with the **season** when he did his walk.

One has been done for you.

<p>"There is snow on the ground. There are no leaves on the trees."</p>	
<p>"There are lambs in the fields. There are bluebells growing in the woods."</p>	Spring
<p>"The leaves on the trees are orange and red. The ground is very muddy."</p>	Summer
<p>"The grass and trees are very green. The sun is shining. It feels warm."</p>	Winter
	Autumn

INVESTIGATE

-
- *Look outside. Draw a picture of what you can see. What season is it now?*
 - *How can you tell what season it is from the things you can see outside?*
-
