### Directions

#### Travelling by road

40 minutes from M6 Junction 36 — [directions from Google Maps](#)

#### Approaching Broughton-in-Furness

- 1) Drive through Foxfield village on the A595 (passing the railway station on your left).
- 2) Continue for about half a mile.
- 3) When you see the brown sign to Broughton-in-Furness turn right at the junction onto Foxfield Road.
- 4) At the end of Foxfield Road turn left then left again on to Prince's Street. Broughton House is opposite the junction at the top of the hill (top right in picture).

#### Parking

- 5) Rather than going up the hill towards Broughton House, it's best to veer left at the bottom of Princes' Street (bottom left in picture) and park on Station Road.
- 6) If that's busy you can park in The Square — It's not safe or sensible to park right outside Broughton House.
